Subtract the # of errors													
TOTAL SCORE													

Judging will be based on the verses and passages as they are printed on the Children's Bible Drill Cards. Only mistakes will be scored. Mistakes are the basis for scoring because the drill is against a standard and not against another individual. Only one mistake may be scored for a participant on any single call. Mistakes are:

1. Failure to step forward during the ten seconds allowed for the call.
2. Quoting the wrong verse or misquoting the right verse in the Quotation Drill and failure to respond properly in the Completion Drill, the Book Drill, or the Key Passage Drill. A participant will be expected to raise his/her hand when he/she has the wrong answer whether called upon or not. No stepping back until the command "Attention" is given.
3. Failure to stand erect, sliding or jumping forward instead of stepping, failure to watch the leader until the call "Start" is given, or for otherwise disturbing other participants.
4. Stepping forward before the index finger is on the correct reference, stepping forward before "Start" is given, or lifting or turning pages after stepping forward.
5. Failure to hold the Bible correctly (with one hand flat on the top and one hand flat on the bottom with no fingers extending over the edges) when the call "Present Bibles" is given, or abuse in handling the Bible: flipping or fanning pages, dropping the Bible, or other undisciplined behavior. To avoid fanning pages, drillers should quarter pages of the Bible and walk to the desired location with their fingers.
6. Searching in the Bible before the call "Start" is given.
