*Another  
Home Mission*

After our efforts to pray for and give to the Annie Armstrong Missions, let us turn our attention to a Home Mission in our “backyard” that is not funded by the Annie Armstrong Mission offering.

A few hundred miles south of Ohio lies a poverty stricken region of people and children with a desperate need for Jesus. One of the most creative ways to reach them has been through the Christmas Backpacks for Appalachia.

In 2018 Ohio was able to see almost 2,100 Christmas Backpacks for Appalachia distributed in 8 schools of Lee County VA., Bell County, KY & Hancock County, TN. This resulted in 316 children praying to receive Jesus Christ as their Savior. This year the opportunity has risen to distribute the Christmas backpacks for Appalachia to 13 schools. We need to reach our S.C.B.O. challenge of 1400 Filled backpacks.

We need to start NOW filling the backpacks for Appalachia.

For more information contact the Ohio WMU coordinator for Appalachian Mountain Ministries.
