Thank you for Giving.

It is encouraging to see the outpouring of compassion from area churches to the survivors of Hurricane Harvey. As you have requested, I have attached Urbancrest's *Hurricane Recovery Donations List*.

Urbancrest Connection Center will gladly receive the specific items from the list distributed through the State Office.

As you and I discussed earlier last week, Urbancrest will partner directly with a church in the area affected by Harvey. Distributions will commence during the disaster recovery phase in the months to come.

I have listed below a few of the criteria that we ask donors to follow:

***DO:***

1. Donate new items in original package
2. Donate only the items listed
3. Sort items by like kind if bringing large quantities
4. Place items in cardboard boxes or plastic tubs prior to drop-off
5. Make drop off during times listed on Donations List

***A sampling of items NOT suitable for Large-scale disasters:***

- clothing
- shoes
- used items (except like new backpacks)
- furniture
- water
- toys
- food
- ANYTHING bundled in a trash bag

Thank you so much. We look forward to sharing the Hope of Jesus Christ in the weeks and months to come.
